A copy of **The Mare's** registration papers must be included with this contract if **The Mare** is registered or recorded with a breed organization. **Breeding season is from May 1st to August 1st** unless previously agreed upon.

1) FEES

- a) **The Stallion Owner** agrees to breed **The Mare** to the **Stallion** for the breeding fee of **\$1000.00**, which includes a **\$300** non-refundable booking fee. Breeding contracts may not be sold or transferred. A live foal guarantee is included except where indicated. **The breeding fee must be paid in full prior to collection of semen.** After the first shipment of semen, there will be no refund of breeding fees.
- b) Additional mares/repeat clients are eligible for a 10% multi-mare discount if booked the same season. For multiple mares, the first mare will be charged full price (\$1000 including non-refundable booking fee as described above) with additional mares eligible for the discount (10% per mare; e.g., \$900 including booking).
- c) **The Stallion is available by artificial insemination only.**
 1. Collection, processing and shipment of the semen will be done at the Lois Bates Acheson Veterinary Large Animal Hospital, Oregon State Carlson College of Veterinary Medicine, Oregon State University, Corvallis, Oregon, 541-737-2858 (herein referred to as "OSU-CCVM"). **Please address questions regarding fees/stallion availability/etc. directly to the Stallion Owner**, not OSU-CCVM.

2. All costs associated with semen collection, processing, shipping, and mare insemination the responsibility of the **Mare Owner** in addition to the breeding fee. The **Mare Owner** will contact the **Stallion Owner** to arrange for payment of these fees. The **Mare Owner** assumes all risk of loss or damage to the shipped semen.
3. An additional stallion transportation fee of **\$100.00** will be charged to cover time and transportation costs in addition to the breeding/booking fee for each collection in excess of three (3) estrus cycles during a breeding season, and per collection for subsequent seasons in the case of return services. Exceptions must be arranged with the **Stallion Owner** prior to collection/shipment.

2) GENERAL TERMS AND CONDITIONS.

a) Collection and Breeding.

1. **Embryo Transfers are prohibited without prior written permission** of the **Stallion Owners**. See Appendix for conditions. The Mare owner acknowledges having read and signed Embryo Transfer Agreement. _____ Initial if Applicable
2. The **Stallion Owner** shall give notice by phone, text or e-mail to the **Mare Owner** of any conflicts between the **Stallion's** competitions and breeding dates.
3. The **Mare Owner** agrees to notify the **Stallion Owner** on the **first day of heat/estrus of the cycle** **The Mare** is to be bred. The **Stallion Owner** requires a **minimum of forty-eight (48) hours** notification before estimated date of semen shipment for **The Mare**.
4. Collections are available from OSU-CCVM **Monday-Friday** except for closures due to holidays or staffing limitations.

Email:			

- b) Breeding of **The Mare** must be done under the supervision of a licensed veterinarian whose practice includes equine reproductive services.
 1. **The Mare** shall be examined by ultrasound to assess breeding status prior to requesting a shipment of semen and to confirm ovulation post insemination.
 2. **The Mare** shall be **inseminated within twenty-four (24) hours** after receipt of semen shipment and unused semen will be discarded.
 3. **The Mare** shall be **confirmed in foal by ultrasound between fifteen (15) and eighteen (18) days post ovulation**.
 4. If **The Mare** fails to become pregnant after three (3) estrus cycles or aborts, the **Stallion Owners** shall require an examination by a licensed veterinarian to determine suitability for further breedings.
 5. **Mares with a history of difficulty establishing and/or maintaining a pregnancy or are 20 years of age or older, will require a pre-breeding examination prior to the first shipment.**
- c) **Live Foal Guarantee.** For the purposes of this contract, a live foal is defined as one who stands and nurses. The **Stallion Owner** will not be obligated to honor the Live Foal Guarantee if the foal dies due to negligence of the **Mare Owner** or its agents or employees in the care of **The Mare** or the foal. Should the foal be born dead or die before standing and nursing, a notification must be provided to the **Stallion Owner** that includes a written statement by the licensed veterinarian attending **The Mare** that includes the reasons for the foal's death. If these terms are not met, the guarantee will become null and void.

d) **Return services.** If **The Mare** does not conceive, abort, or otherwise fails to produce a live foal, the **Mare Owner** shall have the right of return service for one (1) year following the date of this contract.

- 1) A non-refundable booking fee of **\$300** will be required for a return service season.
- 2) If **The Mare** is covered by, or exposed to any other stallion after she has been bred to the **Stallion**, the **Mare Owner** shall have no right of return service.
- 3) This contract may not be assigned or transferred by the **Mare Owner** to another owner or to another mare without prior written approval of the **Stallion Owner**.

3) **WARRANTIES.** The **Stallion Owner** warrants that the **Stallion's** blood type and DNA has been recorded by the American Morgan Horse Association and agrees to execute all documents necessary for the registration of any foal resulting from this breeding upon payment in full for breeding fees and services. The **Stallion Owner** further warrants that **The Stallion** is healthy and free of communicable disease. No other warranties, expressed or implied, not otherwise included in this contract, shall be in force.

4) **WAIVER OF LIABILITY AND ASSUMPTION OF RISK**
 The **Mare Owner** acknowledges that there are inherent and numerous risks associated with breeding a mare and the **Mare Owner** agrees to bear these risks, including but not limited to illness, injury or disease, to **The Mare**. Furthermore, even though **The Mare** may become pregnant, **The Mare** may not give birth or the foal may be stillborn, have defects or become ill, injured or die. The **Mare Owner** agrees that, upon confirmation of pregnancy by a licensed veterinarian, the **Stallion Owner** and its officers, members, employees, directors or agents shall not be liable for any special incidental, indirect or consequential damages arising out of any transaction or activity arising out of this agreement.

5) **GENERAL PROVISIONS.**

- a) **Severability.** The invalidity of any provision of this Agreement, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.
- b) **Choice of Law.** This Agreement shall be governed by the laws of the State of Oregon. Any legal action commenced to enforce or interpret this Agreement shall be brought in state or federal courts with the appropriate jurisdiction, located in Benton County, Oregon. The parties hereto consent to both venue and jurisdiction.
- c) **Waivers.** No waiver by the **Stallion Owner** of any provision hereof shall be deemed a waiver of any other provision or of any subsequent breach by the **Mare Owner** of the same or any other provision.
- d) **Attorney's Fees.** If either party named herein brings an action to enforce the terms of this Agreement or to declare rights hereunder, the prevailing party in any such action, on trial, arbitration or appeal, shall be entitled to reasonable attorney's fees and costs to be paid by the losing party as fixed by the court or arbitrator.
- e) **Execution and Delivery.** This Agreement shall not be binding nor confer any rights upon either party unless and until executed and mutually delivered by and between both parties.

BREEDING CONTRACT AND SHIPPED SEMEN AGREEMENT

Appendix: Embryo Transfer Agreement

ALL EMBRYO TRANSFERS MUST BE APPROVED IN ADVANCE by **Jack and Bernadette Stang, 37535 Zeolite Hills Road, Corvallis, Oregon 97330** ("Stallion Owner") before semen is shipped from the stallion, Gladheart Black Harris/AMHA Registration No. 167475, according to the conditions described in the attached Breeding Contract/Shipped Semen Agreement. In addition to those conditions, the following will also apply:

- 1) A separate breeding fee and contract is required for each Recipient mare that conceives.
- 2) Embryo Transfers must be performed by a licensed veterinarian experienced in embryo transfer techniques.
- 3) A recipient mare will be checked for pregnancy on **Day 11** of gestation (4 days after the transfer), with a definitive ultrasound for pregnancy on **Day 16** of gestation (9 days after transfer) and between **Days 35-45** of gestation.
- 4) If a transfer fails to result in a pregnancy in recipient mare(s), the donor **Mare Owner** is entitled to a **maximum of three (3) shipments** for the purpose of embryo transfer in this contract in a breeding season. Additional shipments will result in transportation fees of **\$100.00 per shipment** as described in the Breeding Contract (see 1.c.3)
- 5) If **The Mare** fails to produce a viable embryo after three (3) estrus cycles, the **Stallion Owners** shall require an examination by a licensed veterinarian to determine reproductive soundness and suitability for further breeding purposes.
- 6) There is **no Live Foal Guarantee** for donor **Mares 20 years of age or older**.

ACKNOWLEDGEMENT.

By signing below, the **MARE OWNER** acknowledges they have read, understand and agree to the conditions for Embryo Transfer as described. Any modification or additions must be made in WRITING and signed by all parties to this agreement. The parties hereby acknowledge the terms and conditions for Embryo Transfer by signing below.
